

## GENERAL ROUTE DESCRIPTION

There is a circular route around Grebe Lake, one of the six lakes in the park, approximately 2km (1.25 miles) in length and waymarked with orange arrows. The paths are made of compacted stone. The route is either level or gently sloping.

For detailed information about the slopes and surfaces and to see if the paths are suitable for you please see the map overleaf. Please note that dogs must be kept on a lead on this route.

The park is managed by the Lincolnshire Wildlife Trust, and the Natural World Centre is run by Leisure in the Community on behalf of North Kesteven District Council.

# Whisby Nature Park

## Countryside for all In Lincolnshire

The park is made up of a series of flooded former gravel pits which are home to a variety of wildlife. As well as open water there are areas of wet willow scrub, grassland and a small area of oak woodland.

The Natural World Centre has interactive exhibitions, a gift shop, café and toilets. The Education Centre runs environmental activities for organised groups and a programme of public events.
