LINCOLNSHIRE ENVIRONMENTAL AWARDS 2019

About the Business Award

The award recognises and celebrates businesses within the historic county of Lincolnshire who encourage and protect the landscape and wildlife of the county.

If you have been involved with a project that has introduced positive changes that really make a difference, you should enter the awards. By doing so you may inspire others to follow in your footsteps.

- Does your business take special care of your local environment?
- Do your environmental policies go beyond legislation requirement?
- Have you developed environmental controls that are unique?
- Would the work of your business inspire others?

The initial shortlisting is based on the information provided. Shortlisted entrants may then be visited by a judge. Finalists will be asked to make a short eight minute presentation of their entry to the judges on Thursday 6th June 2019 at the Bentley Hotel in Lincoln. Finalists are invited to a Gala Dinner at the Bentley on the evening of June 6th when the winner of the category as well as the overall winner of the Lincolnshire Environmental Award will be announced
