

# Homemade Plastic Free Decorations

## Stick Christmas Tree

### Step 1

Take your chosen stick and break it down to decreasing sizes.

### Step 2

Lay out your sticks on your chosen center stick to make sure they fit.

### **Step 3**

**One at a time tie your sticks to the centre stick.**

### **Step 4**

**Make a loop at the top so you can hang your decoration up.**

## **Choosing your stick**

- ❖ **A good thickness is needed.**
  - **To thin and it is likely to snap**
  - **To thick and it will be hard to snap into smaller pieces**
  
- ❖ **Dead dry sticks found on the ground will work well.**
  
- ❖ **Been raining? look for broken sticks that have fallen and landed on the branches of a tree.**
