

Parental/Guardian Supervision

Parents/Guardians of Junior Wardens aged 16 years or younger are required to stay and supervise them when using tools. While not required for Junior Wardens aged 16+ or when no tool use is necessary, parents/guardians are welcome to stay for any session.

How much does it cost?

Each session costs £5.00 per Junior Warden, or £25.00 for a 6-Session Stamp Card. Payable in cash or card on arrival.

2026 Programme

Junior Wardens is our monthly group for young people wishing to learn about, engage with and manage the natural world.

We offer a range of activities and natural topics from practical conservation tasks and surveys to heritage skills and species identification. All with the aim of upskilling young people helping them to connect with nature.

Sessions usually run on the second Sunday of each month, from 1pm–3pm at Far Ings Visitor Centre.

Participants should ensure they are appropriately dressed and kitted out for both the activity and weather conditions on the day. Advice and suggestions will be relayed before the day of the session.

Plans are subject to change, sometimes at short notice, though we will endeavor to keep you notified of any changes as soon as possible.
